

Asia Pacific Association of Allergy, Asthma and Clinical Immunology

APAAACI Committee on Urticaria & Skin Allergies

Chairman:

Amir Hamzah Abdul Latiff (Malaysia)

Co-chair:

M Hide (Japan)

International advisors:

Marcus Maurer (Germany)

Members:

Kent Woo (Malaysia)

Liang Lu Wang (China)

Meera Thalayasingam (Malaysia)

Orithai Piboonpocanun (Thailand)

Sri Awalia Febriani (Indonesia)

TF Leung (Hong Kong)

Vesarat Wesaogowit (Thailand)

Wayne Thomas (Australia)

Young-Min Ye (Korea)

Yu-Xiang Zhi (China)

Pauline Florence R. Santos Estrella (Philippines)

Objectives:

To facilitate education and research activities in advancing knowledge and improving care for atopic eczema, urticaria, contact dermatitis and other related immune-mediated skin diseases.

Upcoming projects:

- 1) Survey of current prevalence of urticaria in Asia-Pacific countries
- 2) Drafting an Asia-Pacific guideline on the management of urticaria

Resources:

Funding from industry involved in antihistamines and biologics for urticaria

Timelines:

Dec 2019 - Mar 2020 : Electronic survey (in collaboration with UCARE)

Mar 2020 - May 2020 : Analysis of survey and preparation of results for publication in June 2020 issue of AP Allergy

Jun 2020 - Aug 2020 : Drafting of guideline or consensus position paper for presentation at 2020

APAAACI Congress in Kyoto
